## PAT accessory kit

### Kit contents

- Cost-effective bundle of essential PAT accessories
- Ideal for use with any PAT tester
- High-quality Martindale accessories
- Contains 1000 pass labels & 200 fail labels
- PAT register book - recording over 300 results
- Three varieties of IEC adaptors

The Martindale PAT accessory kit is an easy way to buy all your essential PAT testing consumables, in one cost-effective package. Offering a saving of up to 25%\* on the cost of the individual items purchased separately, this comprehensive kit contains key accessories for PAT /EET testing. Including, 1000 pass labels, 200 fail labels, PAT register book and a set of adaptors for the most common IEC connectors.

Pass and fail labels are supplied on a roll and used to indicate a pass or fail. Information can be written directly on the label and attached to the appliance using the adhesive backing. For record-keeping purposes, the handy A5 PAT register is included, with space to record over 300 results.

The Martindale PATIECKIT30 is included in the kit, ideal for users working in an office and computer environments. This includes a Clover leaf plug to IEC socket (C5 to C14), Clover leaf socket to IEC plug (C6 to C13) and Figure 8 plug to IEC socket (C7 to C14).

Containing universal items suitable for both new and existing users, the PATKIT1 is ideal for a wide range of testing applications and can be used with any PAT tester.

(\* based on manufacturers' recommended list prices of individual items)

# PATKIT1

## PAT accessory kit

### 1000 PASS labels (Martindale LAB1 labels)

Small green paper pass labels, that are easy to complete. Used to indicate if an appliance has passed its portable appliance test. Two rolls of 500.

### 200 FAIL labels (Martindale FAIL1 labels)

Labels used to clearly indicate that the appliance has failed a portable appliance test. To be applied to a visible part of an appliance to indicate the appliance should not be used. The appliance should then be quarantined to prevent use.

### PAT / EET Register Book (Martindale PATREG)

This A5 logbook allows the user to keep manual records of up to 300 appliances in line with the Code of Practice. The front cover carries a box to identify the premises' name and location details.

### IEC Adaptor Kit (Martindale PATIECKIT30)

Kit includes a Clover leaf plug to IEC socket (C5 to C14), Clover leaf socket to IEC plug (C6 to C13) and a Figure 8 plug to IEC socket (C7 to C14). Ideal when testing office equipment.
